Whatcom Lodge Report: Whatcom Lodge recently Raised two new Master Masons: Bro. Scott Voss was Raised on Jan. 31st and Bro. Tim Johnson was Raised on Feb. 13th. We also Passed Bro. Daniel Brendible to the FC Degree on Feb. 21st. All three of these degrees were well attended and the Whatcom brothers wish to thank the brethren from our sister lodges who lent us a hand. On Thursday, Feb. 28th we will Raise Bro. Warren McKenzie to the Sublime Degree. Dinner at 5:30 PM, Lodge to begin opening at 6:30 PM.

Stated Meeting - 2-21-08: *NOTICE!* Proposal to Amend By-laws. Our secretary, John Browne, read the following motion to amend the Whatcom Lodge By-laws:

To the Brothers of Whatcom Lodge No. 151. I move that the By-laws of Whatcom Lodge No. 151 be amended as follows:

Article II - Communications... to be changed

From:

Section 1. The Stated Communications of this Lodge shall be held on the Third Thursday of each month from September 1st to June 30th.

To:

Section 1. The Stated Communications of this Lodge shall be held on the Third Thursday of each month.

The effect of this change will mean that Whatcom Lodge will no longer Go Dark in the months of July and August. This will allow the lodge to act on petitions for membership and conduct other such business as needed. This motion will be set for discussion and vote at our March 20th, Stated Meeting.

Whatcom Lodge is planning a Spring Fling social event for Saturday, April 12th at the Bellingham Masonic Center. Dinner and Square Dancing are on the agenda for the entertainment of our guests. The details are being worked out now but mark your calendar so you don't miss out.

As always, we'd like to hear from our brothers to make sure we're serving the needs of all our members, as much as possible. My contact info is on page 4 - John Browne

LYNDEN LODGE RUMMAGE SALE

The Lynden Lodge Rummage Sale, this past Friday and Saturday to raise funds for our philanthropies, was a great success! We made about \$800 and, even though we did not have any "big ticket" items this time, thousands of items were sold. For those who contributed merchandise, time and energy, I wish to thank you for making this event so successful. Lynden brothers, who were present during the selling periods, enjoyed the interrelationship with the people who came to the sale. It all was very positive!

Special thanks to Bro. John Sleeth and Bro. Jerry Mason who provided trucks and worked diligently to transport and unload items at the Lodge Hall and then repack and transport the remaining items back to our storage area. Bro. Jack Sprouls saw that refreshments were available and his presence during the setup on Thursday and during both sales days was very much appreciated. Bro. Travis Graddon helped during the setup as well. Finally, last but certainly not least, Bro. Dick Myhre, Bro. Glenn Boodey, Barb Arnett and Susan Decima were present from start to finish, on Thursday during setup and on the sales days, Friday and Saturday. And, of course, we can't forget our banker Bro. Gordon Grahame.

LYNDEN LODGE DEGREES

Lynden Lodge has raised two new Master Masons! On Saturday, February 9th the sublime degree of Master Mason was conferred on Bro. Jerry Mason and Travis Graddon. Both these brothers have been very active in events in Lodges throughout the District since their initiation in November.

On Wednesday, February 27th at 7:30 PM at the Ferndale Masonic Center, Howard Gregory Hanna will be initiated into the hidden mysteries of Masonry. This degree will be put on entirely by Lynden Lodge members (including one honorary member). Please try to be a side-liner that evening to welcome Howard into our fraternity.

In order to help us keep track of individuals who have shown an interest in Masonry, Lynden Lodge is maintaining a list of their names along with the name of the brother who provided them with a Masonic brochure or simply answered questions about the fraternity. This list is extremely helpful to me as the Worshipful Master as it gives me an opportunity to ask the brothers whether or not any subsequent conversations about Masonry have taken place. Hopefully, these actions will result in more individuals petitioning the Lodge.

Brothers, Lynden Lodge IS on the move!!

He was able to attend our last dinner meeting. Lady Sharon Springstead is doing better and she also was able to attend our last dinner meeting. Lady Laura James has some minor surgery and is recovering at home. I received word that one of our long time members Robert Holt is in a nursing home in Austin Texas. Masonic Leadership Association—Report

Brethren of District #10:

Yesterday, Saturday February 16th, the MLA held its second meeting of 2008. Every Masonic Lodge in the District was represented with the exception of San Juan Lodge #175 who has a great distance to travel. Our San Juan brothers have been cordially invited to attend our monthly meetings with the offer to pick them up at the ferry terminal and bring them back there.

Once again, it was a great turnout as the number of Masons present at this meeting exceeded the number at the January meeting and was over double the number at the February 2007 meeting. Ferndale Lodge #264 was the host and provided a generous offering of pastries, coffee and tea. We thank them for their hospitality!

At the January meeting, the Master of each Lodge was asked to appoint one brother who would bring news from the Lodge to the MLA and report key points from the MLA meeting back to the Lodge. Almost all of the Masters have made this appointment. By doing so, both the Lodge and the MLA will benefit! All Masters, officers, new Masons and anyone else interested in moving Masonry forward in our District is encouraged to attend these monthly meetings. These individuals are the leaders of Masonry in District 10 and need to be there.

Bro. Ken Gass reported that early contributions for the Masonic Education Council for 2008 already exceeded \$4,000 from 74 donors. Any Mason, who has not yet mailed in his contribution, is requested to do so. Awards will be made at the B'ham Masonic Ctr. on April 30th.

Everett Thompson, Secretary, Ferndale #264

A proposed change to the By-laws, whereby the MLA meetings would be held on the date and at the time of the special monthly meeting of the host Lodge instead of on Saturday mornings, was soundly defeated. The MLA will continue meet on the 3rd Saturday at 10:00 AM for the months of January through November with the exception of May in which the meeting will be held on the 2nd Saturday. No meetings will be held in June, July August or December.

Other topics discussed at the meeting included the Traveling Light and Traveling Gavel, Grand Lodge floats, Widows and Orphans, Youth Groups, District 10 calendar, voluntary assessments, District 10 brochures, MLA domain name, MLA/MEC relationship, the new bank account and Bro. George Washington's portrait for schools. Declining membership also was discussed and there will be more, much more, in future meetings on this very important subject with emphasis on what can be done to reverse the decline.

There was a lucky winner of the door prize of two tickets to the Mount Baker Theatre performance of JIGU! Thunder Drums of China on March 2, 2008 courtesy of VWB John Sleeth.

All this in an hour and forty minutes and the next meeting will not last as long. This is how Masons work!!!

The next MLA meeting is on Saturday, March 15th at 10 AM at the Bellingham Masonic Center on Maplewood Avenue. There will be a Door Prize!! Fairhaven Lodge #73 will be the host. Please mark your calendars and plan to be there. Your participation in these meetings is essential to the growth of Masonry in District #10. We would like you to be with us.

Fraternally, Dick Decima, President 2008

'st mignway clean up

Saturday, March 1 will be the first Masonic highway cleaning of 2008. We will leave close to 9:00 AM from the backside of the 2626 W. Maplewood Temple and clean for 90 minutes, RAIN or SHINE. The first 12 signed up by day of the cleaning will participate. Why am I expecting a bigger turnout than usual?

- First, we will have a Jobie fund raiser breakfast before from 8 - 9 AM (usually \$5 for all you can eat).
- Second, we expect a WA DOT representative to be on hand at 2626 before we leave to take the picture of our cleaning crew to honor our status as one of the oldest in the region, starting our 18th year of volunteer cleaning!
