Whatcom Lodge Report

The stated meeting of October, 16th was fairly brief but notable for two reasons. At dinner, just before the meeting began, we received two Petitions for the Degrees of Masonry. The first petition read was from Mr. Leon Scot Jr. and the other from Mr. Alexander Bruner. Investigation committees were appointed and we hope to confer both degrees at our stated meeting on November 20th, 2008.

After the paying of bills and reading of petitions WM Larry West installed Bro. Frank Myers as Senior Warden and Bro. Monte Thompson as Senior Deacon.

Brothers, Dues Notices are coming out in the next few days. Please read the Dues Notice carefully and respond as promptly as you can. Whatcom Lodge has over 75 members and keeping the records up to date is made easier when my fellow brothers act in a timely manner. I thank each of you in advance for your consideration and help.

At the top of the page you see an Ad for the District Ten Dinner and Meeting. This annual event is one of the few opportunities for local Masons to meet the Grand Master. This year you also have the chance to see Miss Washington Job's Daughter, Miss Autumn Thompson. The food will be great and the atmosphere warm and friendly.

Fraternally, John Browne - Secretary/Treasurer

A Thanksgiving Prayer

Oh, God, when I have food
help me to remember the hungry;
When I have work, help me
to remember the jobless;
When I have a warm home,
help me to remember the homeless;
When I am without pain,
help me remember those who suffer;
And remembering, help me
to destroy my complacency
and bestir my compassion.
Make me concerned enough
to help, by word and deed,
those who cry out
for what we take for granted.

Hiram Award Presented

At the Hands Across the Border Dinner

It came as a very **BIG** Surprise, but it was indeed well deserved. The brethren of Lynden Lodge and GM Doug Tucker presented the Hiram Award to none other than WB Dick Decima. Brother Decima has given countless hours of time and devotion to restoring Lynden Lodge as one of the healthiest and productive in District Ten—Congratulations WB Dick!

MLA Report

Masonic Education Council WB Ken Gass brought everyone up to date on the proposed Articles of Association and Bylaws as well as the application for tax-exempt status. He anticipates that the filing of these documents with the State and the filing of the application for {501(c)(3)} status as a tax-exempt organization with the federal government will be completed in about three weeks.

Each Worshipful Master was urged to make his appointment of a representative from the Lodge to be a member of the Board of Directors of the MEC. Failure to appoint a representative will result in a Lodge not having a vote in MEC matters. Please make sure that a representative is appointed and that the Lodge secretary advises the MEC secretary in writing about the name of the representative.

Traveling Gavel WB Gordon R. Grahame has located the Traveling Gavel in Canada and is making arrangement for it to be delivered to a District 10 lodge. Our secretary, WB Vern Christianson, will be maintaining records so that the whereabouts of the Traveling Gavel are known at all times.

George Washington Portrait Program WB Dick Decima reported that this program has been a great success! Eighteen schools in Whatcom and San Juan counties soon will receive a framed rendition of renown artist Rembrandt Peale's portrait of Bro. George Washington. Lodges that participated in this program are urged to be sure that brothers are on hand at the schools for the unveiling of the portrait at each school.

Officers for 2009 The nominating committee proposed the following slate of officers for 2009:

President: Bro. Jack Sprouls (Lynden Lodge No. 56)
Vice President: Bro. Jeff Moison (Ferndale Lodge No. 264)
Sec/Treasurer: WB Vern Christianson (Fairhaven Lodge No. 73)

There were no further nominations. The election of officers will be held the November MLA meeting.

2009 Planning Various items to be considered for 2009 planning were outlined.

Tabled until the November meeting Grand Lodge Workshops, Proficiency in Lodge Management, the MLA picnic and the MLA hosting the annual District 10 dinner meeting all were tabled until the November meeting when District Deputy VWB Jim Brady will tell us more about these subjects.

Upcoming MLA Meeting The next MLA will be on Saturday, November 15th at 10 AM at the Bellingham Masonic Center on Maplewood Avenue. Kulshan International Lodge No. 186 will be the host. The MLA meetings this year continue to be well-attended which clearly indicates that the enthusiasm for the Masonic fraternity in District 10 is growing. Please your calendars for the November 15th meeting and plan to be there and spend 90 minutes or less in helping Masonry grow. There will be a *Door Prize* again!

This is how Masons work!

Fraternally, WB Dick Decima
President - MLA

A spot of humor

A man is giving a speech at his lodge meeting. He gets carried away and talks for two hours. Finally, he realizes what he's done and says, "I'm sorry I talked so long. I left my watch at home."

At the back of room, someone shouts, "That's no excuse. There's a calendar behind you."

Brethren and Sisters

I'll be blunt, where are your younger relatives, your grandsons, grand daughters, nieces and nephews? Are you talking with them about the youth groups that our organizations support? I understand our obligation to take good men and ladies and make them better. May I take this one step further? How about taking our youngsters into these youth groups and make them better? Having them join DeMolay, Jobs Daughters and Rainbow can empower them as they prepare to go into the world as our new world leaders. We as Masons and Eastern Star are obliged to assist all those who need our help to become better citizens of this world; you will note that I didn't say country but THE WORLD! We need to change our outlook to include those outside our usual communities to see the bigger picture that these days' encompasses not just our town, county, state, country but the whole world. If we want to help this world succeed then we must start somewhere and I suggest that we begin with our youth. Where do you want to see your youngsters 10 years from now? Joining our Youth groups could give them a huge start to becoming functional, confident adults, yes?

Fraternally and sincerely,

George Edwards PM - Grand Lodge Youth Committee

Utopia Found?

There is a place that you can find
Where everyone is always kind,
Where everything is harmony,
Where every man is always free.

No politics are spoken there,
No arguments to rend the air,
Where smiles glow bright on every face,
A joyful and a friendly place.

A place where men can do good deeds
And share their lot with those with needs,
But still have fun in all they do
While being good and firm and true.

A place where God is still revered
And tyranny is never feared,
A place there virtues still are taught,
Where goodness is not sold or bought.

"A Shangri La?" you say to me,
"Why such a place can never be!"
Untrue, my friend, there's one I know,
A place where good men often go.

And not just one, but many more,
Both here at home, on distant shore,
Thousands and thousands, I would guess;
There might be more, but never less.

They've been around hundreds of years,
These places where men need have no fears,
So now you ask, "Where do I go?"
All right, my friend, I'll let you know.

Look for a sign with compasses and square,
Easily found, they're most everywhere,
Just note the number and the street
To know where Masons go to meet.

Anon.
