Whatcom Lodge Report

This past month of August we held two lodge meetings and both were pretty well attended. The first was a special communication for the purpose of conferring the Third Degree on Br. Nate Anderson. The meeting was preceded by a wonderful dinner featuring a Chinook Salmon, caught this past July by Br. Warren McKenzie, who donated it to the lodge. However, Bro. McKenzie was unable to attend the degree because he was in Eastern Russia, across from Alaska, studying volcano's. The salmon was expertly prepared by WB Thom Baughn, who also played King Solomon in the degree drama. No one went away hungry.

The degree was conferred by VW John Browne, the working tools presented by Br. Ron Exner and the Charge delivered by WB Gary Pitcher. VW Glenn Hutchings, Br. Nate's father-in-law, played the 3rd ruffian in the drama; but no lasting harm befell Br. Nate. The lecture of the degree was very ably given by the team of VW Glenn Hutchings and WB Bill Hall. All of the degree team members did an excellent job and we thank each and every one of them for their assistance. After the degree Br. Nate received with the following: a very nice certificate created by Br. Ron Exner, a Masonic pin presented by WM Glenn Hutchings and the Grand Master's pin & coin presented by VW James F. Brady II, D of GM.

The August stated meeting was held on August 21, 2008. We were visited by WB Dick Decima, WM of Lynden Lodge, with Lynden brothers Jack Sprouls and Jerry Mason. Also visiting was Br. Tim Townsend from Bellingham Bay Lodge. The business of the lodge was taken care of expeditiously by WM Hutchings. The main item of business was the election of officers for the 2008-2009 term. The results are as follows:

Worshipful Master - Larry West -- Senior Warden - Frank Myers
Junior Warden - Bill Hall & Sec/Tres - John Browne.
Appointed officers to be announced before long.

WM elect, Larry West announced that the Installation of Officers will take place during the September stated meeting on Thursday, Sept. 18th, 2008

During the meeting WM Hutchings called upon Br. Jerry Mason to make a report on the CHIPs event at the recently completed NW WA Fair in Lynden, WA. Brother Mason noted that the initial goal of processing 400 children was way too low, as evidenced by the fact that over the six days of the Fair, a total of 1233 individuals went through the procedure. Brother Mason gave credit to the over fifty volunteers who manned the stations. WM Hutchings asked the assembled brothers to accord Br. Mason the PGHs for his fine job of coordinating the CHIPs event for Lynden Lodge. The CHIP project was supported by most of the lodges in District Ten as well as by Rainbow Assembly No. 17 and Bethel No. 25 Job's Daughters. The Bellingham Herald even printed two very nice articles about the CHIPs event at the Fair.

CHIP EXCEEDS EXPECTATIONS AT THE FAIR

The inauguration of the CHiLD Identification Program (CHIP) in District 10 at the Northwest Washington Fair in Lynden during the week of August 11 -16 was a great success. Under the direction of Event Coordinator Bro. Jerry Mason, more than 1200 children participated in this program in conjunction with the Whatcom County Sheriff's Office and the Lynden Police Department.

Children were fingerprinted, DNA and dental imprints were taken and a brief video was made in order to provide parents with information that they could give to law enforcement in the event their child became missing.

Over 50 hardworking volunteers participated in a training session prior to the 6 days of the Fair in preparation for this event. Grand Lodge committee chairman Howard Ballou spent the entire week with us at the Fair. His counsel and guidance this first year was a key reason for the success of this program.

A representative from the Firefighters Competition approached us during the Fair about presenting CHIP at their event on September 13th at the Hagen's parking lot in Ferndale. We will be there.

The Whatcom County Dairy Women provided free ice cream cones to the 1st 1000 participants. The Lynden Pioneer Museum provided free passes to the museum for each participant.

Masonic Lodges throughout the county along with businesses and individuals stepped up as sponsors. One anonymous donor gave \$1,000. This support was essential as the number of participants far exceeded the original expectations.

Lynden Lodge wishes to thank all the volunteers and sponsors for making this first year of the Fair so successful. We will be back next year!

This is another signature program of Lynden Lodge.

BIKES4BOOKS KEEPS ROLLING

The Bikes4Books program initiated by Lynden Lodge No. 56 under the direction of Event Coordinator Dick Myhre keeps rolling.

The head librarian and the children's librarian at the Lynden Public Library have developed a program to bring 1st grade classes to the library to familiarize these new readers with the facilities and to issue library cards to them. Each time the student returns to the library with an adult between September 1st and November 20th they will receive a raffle ticket. A drawing and puppet show will be held the evening of November 20th when book bags and school supplies will be awarded. The grand prizes will be a boy's bicycle and a girl's bicycle presented by Lynden Lodge along with gift certificates for helmets. Wal*Mart is a sponsor of this program. More than 500 1st graders will participate. This is another signature program of Lynden Lodge.

HANDS ACROSS THE BORDER DINNER

October 4th! That's the date to remember as our dinner show will honor MWB Douglas E. Tucker, Grand Master of F. & A.M. of Washington and MWB R. Glenn Allen, Grand Master of A. F. & A.M. of British Columbia & Yukon.

This event will be held at Fox Hall at the Hampton Inn in Bellingham. The social time will begin at 5:30 PM with dinner promptly at 6:00 PM.

Another great program is planned this year. The Langley Ukulele Ensemble will be performing. This extraordinary group is composed of more than 20 young people from Langley, B.C. who will provide great entertainment with renditions ranging from the William Tell overture to traditional Hawaiian songs. They are a team of young musicians, ambassadors and volunteers who have established a reputation for providing opportunities to demonstrate excellence, inspire, build hope, model leadership and enrich all through entertaining musical presentations which touch lives. Visit their web site for a sample performance: <http://www.langleyukes.com/>

The menu is lasagna, Caesar salad, garlic bread, dessert, coffee, tea (vegetarian available upon request. The cost is \$22 or \$40 for a couple. It is a great price for a dinner show. The venue is very large and we won't be crowded like last year, but seating is limited to 208 and reservations should be made no later than September 25th. Tickets at the door will be \$25 or \$50 for a couple strictly on a space available basis. You can contact me at 360-392-0145 or email rhdecima@aol.com to make reservations. Don't delay. Do it now. The Event Coordinator is VWB John R. Sleeth.

This is another signature program of Lynden Lodge No. 56.

Brothers, we are going to have a good time. You and your lady will not be disappointed!!!

MASONIC LEADERSHIP ASSOCIATION: *REPORT*

Grand Lodge sanctioned workshop. A Grand Lodge sanctioned workshop regarding training for the participants in the Child Identification Program (CHIP) under the auspices of Lynden Lodge No. 56 was held on Saturday, August 2nd at the Ferndale Masonic Center. Subsequently, CHIP was inaugurated at the Northwest Washington Fair in Lynden in August.

Traveling Gavel. We anticipate the return of the missing Traveling Gavel. WB Gordon R. Grahame has located it and has made arrangements to see that the Lodge that has it delivers it to a District 10 lodge. Our secretary, WB Vern Christianson, will be maintaining records so that the whereabouts of the Traveling Gavel are known at all times.

Masonic Education Council. The proposed Articles of Association and By-laws and the application for tax-exempt status is in the hands of legal counsel. According to the filing instructions, the MEC is able to function as a tax-exempt organization {501(c)(3)} while approval of the application is pending.

Worshipful Masters: please note that representatives from each of the Lodges will compose the Board of Directors of the MEC. Failure to appoint a representative will result in your Lodge not having a vote in MEC matters. Please make sure that a representative is appointed and that the Lodge secretary advises the MEC secretary in writing about the name of the representative.

MLA picnic. By the time this newsletter is issued, the MLA picnic at Cornwell Park on August 24th will be over. Thanks to VWB Jim Brady and WB Thom Baughn for their hard work in making this event a success.

Upcoming MLA Meeting. The next MLA will be on Saturday, September 20th at 10 AM at the Bellingham Masonic Center on Maplewood Avenue. Nooksack Valley Lodge No. 105 will be the host. The MLA meetings this year have been well-attended which clearly indicates that the enthusiasm for the Masonic fraternity in District 10 is growing. Brothers, mark your calendars for the September 20th meeting and plan to be there and spend 90 minutes in helping Masonry grow. There will be a **Door Prize** again!

This is how Masons work!

Fraternally,

Dick Decima

The lodge was funded for 400 children and ran through over 1,200, at a cost to the lodge of \$5 each. Bellingham Bay 44 contributed \$250.
